RESOLUTION NO. 3-2005

**A RESOLUTION ESTABLISHING THE
LICENSING FEES OF DAUPHIN COUNTY GIS DATA**

WHEREAS, Dauphin County's Geographic Information System (GIS) is a group of interrelated technologies that combine geographic data such as, but not limited to, the locations of manmade and natural features of the earth's surface with other types of information such as, but not limited to, names, classifications, and addresses to generate visual maps and reports; and

WHEREAS, the purpose of GIS is to use geographic location to relate otherwise disparate data and provide a systematic way to collect and manage location-based information crucial to local government policy and decision-making; and

WHEREAS, the County has determined it is in the best interests of the citizens of Dauphin County to facilitate the dissemination of GIS data and improve access to computerized geographic data; and

WHEREAS, the County desires to be reimbursed for the reasonable costs associated with making said GIS data available.

NOW, THEREFORE, IT IS HEREBY RESOLVED BY THE BOARD OF COMMISSIONERS OF DAUPHIN COUNTY, PENNSYLVANIA AS FOLLOWS:

The GIS data fee schedule and Order Form attached hereto is incorporated herein by reference and hereby adopted accordingly.

ADOPTED AND RESOLVED, by the Board of Commissioners of Dauphin County, Pennsylvania, in lawful session duly assembled, on the 2nd day of February, 2005.

ATTEST:

**DAUPHIN COUNTY
BOARD OF COMMISSIONERS**

Chad Saylor
