RESOLUTION NO. 31-2007

A RESOLUTION RE-ESTABLISHING THE
DEPARTMENT OF DRUG AND ALCOHOL SERVICES

WHEREAS, Dauphin County has, pursuant to the Pennsylvania Drug and Alcohol Abuse Control Act, informed the Governor's Council on Drug and Alcohol Abuse of its desire to participate in the statewide drug and alcohol prevention, intervention, and treatment program; and

WHEREAS, pursuant to 4 PA Code § 254.3, Dauphin County may select one of three models for the organization of said participation; and

WHEREAS, prior to the year 2003, Dauphin County utilized the model of a separate and dedicated county department with, as its sole responsibility, the delivery of drug and alcohol prevention, intervention, and treatment services; and

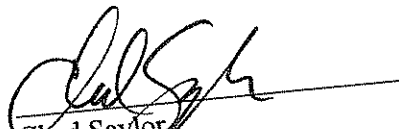

WHEREAS, effective January 1, 2003, Dauphin County utilized a new model known as the Executive Commission Private Agency model whereby Dauphin County organized a non-profit corporation with, as its sole responsibility, the delivery of drug and alcohol prevention, intervention, and treatment services, and delegated said responsibilities to that corporation by contract; and

WHEREAS, in the year 2007, Dauphin County determined that the original branch of county government model was more desirable and received permission from the Pennsylvania Department of Health, Bureau of Drug and Alcohol Programs, to revert back to said county department model.

NOW THEREFORE, IT IS HEREBY RESOLVED, by the Board of Commissioners of Dauphin County, Pennsylvania, that effective January 1, 2008, the "Dauphin County Department of Drug and Alcohol Services" shall be established and shall act and serve as the Single County Authority for the planning, delivery and evaluation of community drug and alcohol prevention, intervention, and treatment services.

ADOPTED AND RESOLVED, by the Board of Commissioners of Dauphin County, Pennsylvania, in lawful session duly assembled, on the 5th day of December, 2007.
