<b>III.</b>	<b>NIGHT AND CENTRAL COURT OPERATIONS</b>	
	<p><b>A.</b> Is there a night court operating within the judicial district?</p>	YES
	<p><b>B.</b> Is there a central court operating within the judicial district?</p>	YES
	<p><b>C.</b> Note comments regarding how night, central or other similar court programs impact operations within the judicial district.</p> <p>Night Court covers the entire county on a daily basis and weekends. Cases that require attention after normal business hours go through our night court. Night Court processes the paperwork and takes the necessary actions - whether it be setting bail, processing served warrants, taking payments, etc. Night Court then forwards all information to the originating home court for them to process.</p> <p>All Magisterial District Judges in Dauphin County are on a 15 week rotation and are required to cover Night Court for the entire week they are assigned.</p> <p>Central Court is implemented for Magisterial Districts that fall within the city of Harrisburg. We have 5 city offices and each one is given a day of the week to hold their criminal hearings at our local prison. This was done in an attempt to process people in the prison a little faster and provide more efficiency to the city MDJ offices. The other 4 days of the week, these judges are free to schedule their other case types at their convenience.</p>
