

**STATEMENT CONCERNING CHILD AND/OR SPOUSAL
SUPPORT ARREARS**

I, _____, hereby certify that according to Pennsylvania Child Support website, I currently owe \$_____ in overdue support arrears as shown on the attached website lien printout.

If there are arrears owed, I acknowledge that the overdue support arrears constitute a lien against my net proceeds in excess of \$5,000 arising from my personal injury or Workers' Compensation settlement or award. **Note:** I do recognize the Court may still send a non-disbursement order and attach my net proceeds that are less than \$5,000 in accordance with 23 Pa. C.S.A. §4302, § 4305, and §4348.

I hereby acknowledge that my attorney is obligated by state law to pay the amount of this lien to Pennsylvania State Collection and Disbursement Unit (PA SCDU) prior to the distribution of any settlement or award proceeds to me. I authorize my attorney to submit payment to PA SCDU for this lien amount for overdue support arrears as stated on the website lien printout.

Even if I dispute the amount of overdue support arrears stated on the website lien printout, I acknowledge that my attorney is obligated to submit the amount currently shown. I understand that I can then take steps to dispute the amount, but my attorney is not under any obligation to represent me in that dispute unless I hire my attorney specifically for that purpose. My attorney's current representation of me in this personal injury or Workers' Compensation matter does not include representation concerning the dispute of overdue support arrears.

I understand that false statements herein are made subject to penalties of 18 Pa.C.S.A. § 4904, relating to unsworn falsification to authorities.
