

COMING SOON—FAMILY CORNER

WE WANT TO HEAR FROM YOU!!

We know that families and caregivers are the most important people in the lives of children—assuring their welfare and success. This resource sharing now reaches over 600 families!!

We want to keep it helpful and positive, and we know that families and caregivers have a lot of responsibilities. We are creating a “Family Corner” to ask questions, tell stories and share ideas so that parents and caregivers will have a voice in resource sharing.

Examples:

Do you have tips or advice you want to share with other parents/caregivers?

Do you have a favorite activity that you like to do with your child that you want to share with others?

Do you have a question you want to pose to other parents/caregivers who get this monthly column?

If you answered yes, to any of the above, please contact me (Deb Louie) at the following email address dlouie@dauphinc.org or call me at (717) 780-7047. I would be happy to talk to you about your ideas.

****Please note that all information received will be kept confidential and any identifying/contact information will not be shared with others who are on the email/ mailing list. Our office may also need to edit information received for length or content.**
