RESOLUTION NO. 12 - 2012

A RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION FOR EMERGENCY SOLUTIONS GRANT FUNDS TO THE PENNSYLVANIA DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT

WHEREAS, the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH) enacted into law on May 20, 2009, authorized the Emergency Solutions Grant (ESG) Program; and

WHEREAS, the Commonwealth of Pennsylvania through the Department of Community and Economic Development (DCED) has received ESG program funds and is making these funds available to local governments for eligible emergency shelter activities; and

WHEREAS, the County of Dauphin desires to submit an application to DCED for ESG Program funds on behalf of homeless shelter housing and service providers.

NOW THEREFORE, IT IS HEREBY RESOLVED BY THE BOARD OF COMMISSIONERS OF DAUPHIN COUNTY, PENNSYLVANIA THAT:

1. The proposal to draft a contract with Christian Churches United for Homeless Prevention and Rapid Re-Housing services and fund same with the DCED Emergency Solutions Grant "ESG-H-2011 Second Allocation" is hereby approved if said funding is awarded and received.
2. The Dauphin County MH/ID Program is hereby authorized and directed to submit an ESG Program application in the amount of Seventy-Five Thousand, Nine Hundred and Fifteen Dollars (\$75,915.00) to the Pennsylvania Department of Community and Economic Development.
3. The County of Dauphin will assume the responsibility for securing the required matching amount of project funds.
4. The County of Dauphin will reimburse the Commonwealth for any expenditure found to be ineligible.
5. The Dauphin County MH/ID Program is authorized to provide such assurances, certificates, and supplemental data or revised data that DCED may request in connection with the application.

ADOPTED AND RESOLVED, by the Board of Commissioners of Dauphin County, Pennsylvania, in lawful session duly assembled, on the 1st day of August, 2012.

Project Narrative

What do you plan to accomplish with this project?

Identify the problem(s) that need to be resolved.

In 2009, 13.3% of Dauphin County residents were living in poverty with the below poverty rate of 30% being significantly higher in Harrisburg. The county wide unemployment rate in May of 2012 was 7.1% and the emergency shelter occupancy rate is routinely 100%. As stated in Home Run, The Capital Area's 10-Year Plan to End Homelessness, "the County of Dauphin and the City of Harrisburg have a full array of services to support individuals and families experiencing homelessness. While there may be an appropriate range of services, the availability of services to meet the expressed need is often inadequate. The lack of available services is not a function of weak community will or interest. Rather, the inadequacy of services is a function of available resources to *both develop and sustain* the effort to address homelessness." According to CACH Point In Time Survey, on any given day, more than 281 adults and 127 children are homeless in Dauphin County and the City of Harrisburg.

How do you plan to accomplish it?

Include expected outcomes that are measurable, obtainable, clear and understandable, and valid. Examples of measurable outcomes include jobs created or retained, people trained, land or building acquired, housing units renovated or built, etc.

- 1 - Provide 35 clients with short term Homeless Prevention services.
- 2 - Provide 30 clients, who are either in emergency shelter or who cannot access emergency shelter but are homeless according to the guidelines for Emergency Solutions, with Rapid Re-housing services.
- 3 - Assist 59 clients (91%) move to Permanent Housing.

How do you plan to use the DCED funds?

Should include specific use of DCED funds and reflect the budget provided with the application.

DCED funds will be used to meet the needs of homeless/near homeless individuals/families in obtaining permanent/stable housing through the use of Rapid Rehousing (Case Management, Rental Assistance, Utility Payment and Moving Assistance Services) and Homeless Prevention (Case Management, Rental Assistance and Utility Payment Services).

Projected Schedule and Key Milestones and Dates

A detailed schedule of activities, including key milestones and dates, must accompany this application if applicable to the project.

DRUG FREE
WORKPLACE

(I) It will comply with:

- (1) Title VI of the Civil Rights Act of 1964, P.L. 88-352 (42 U.S.C. 2000d et. seq.) and the regulations issued pursuant thereto (24 CFR Part 1), which provides that no persons in the United States shall on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits.

NON-
DISCRIMINATION

Title VI states that:

"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."

Section 1.4b(2)(i) of the regulations issued pursuant to Title VI requires that: "A recipient in determining the types of housing, accommodations, facilities, services, financial aid, or other benefits will be provided under any such program or activity, or the class of persons to whom, or the situations in which, such housing, accommodations, facilities, services, financial aid, or other benefits will be provided under any such program or activity, or the class of persons to be afforded an opportunity to participate in any such program or activity, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program or activity as respect to persons of a particular race, color, or national origin."

- (2) The Fair Housing Amendments Act of 1988 (42 U.S.C. 3601-20) which states that no person shall be subjected to discrimination because of race, color, religion, sex, handicap, familial status, or national origin in the sale, rental, or advertising of dwellings, in the provision of brokerage services, or in the availability of residential real estate-related transactions; and requires that subrecipients administer all programs and activities in a manner to affirmatively further fair housing.

FAIR HOUSING

Executive Order 11063 and the regulations contained in 24 CFR Part 107 requires that all action necessary and appropriate be taken to prevent discrimination because of race, color, religion (creed), sex, or national origin related facilities or in the use or occupancy thereof where such property or facilities are owned or operated by the Federal Government or provided with Federal assistance by HUD and in the lending practices with respect to residential property and related facilities of lending institutions insofar as such practices relate to loans insured, guaranteed or purchased by the Federal Government.

- (3) 24 CFR Parts 5, 200, 203, 236, 400, 570, 574, 882, 891, and 982- Equal Access to Housing in HUD Programs – Regardless of Sexual Orientation or Gender Identity, makes the following provisions:

EQUAL ACCESS
TO HOUSING

- Requires owners and operators of HUD-assisted housing, or housing whose financing is insured by HUD, to make housing available without regard to the sexual orientation or gender identity of an applicant for, or occupant of, the dwelling, whether renter- or owner-occupied. HUD will institute this policy in its rental assistance and homeownership programs, which include the Federal Housing Administration (FHA) mortgage insurance programs, community development programs, and public and assisted housing programs.
- Prohibits lenders from using sexual orientation or gender identity as a basis to determine a borrower's eligibility for FHA-insured mortgage financing. FHA's current regulations provide that a mortgage lender's determination of the adequacy of a borrower's income "shall be made in a uniform manner without regard to" specified prohibited grounds. The rule will add actual or perceived sexual orientation and gender identity to the prohibited grounds to ensure FHA-approved lenders do not deny or otherwise alter the terms of mortgages on the basis of irrelevant criteria.
- Clarifies that all otherwise eligible families, regardless of marital status, sexual orientation, or gender identity, will have the opportunity to participate in HUD programs. In the majority of HUD's rental and homeownership programs the term "family" already has a broad scope, and includes a single person and families with or without children. HUD's rule clarifies that otherwise eligible families may not be excluded because one or more members of the family may be an LGBT individual, have an LGBT relationship, or be perceived to be such an individual or in such relationship.
- Prohibits owners and operators of HUD-assisted housing or housing insured by HUD from asking about an applicant or occupant's sexual orientation and gender identity for the purpose of determining eligibility or otherwise making housing available. In response to comments on the proposed rule, HUD has clarified this final rule to state that this provision does not prohibit voluntary and anonymous reporting of sexual orientation or gender identity pursuant to state, local, or federal data collection requirements.

(4) Age Discrimination Act of 1975 (42 U.S.C. 6101-01) and the implementing regulations at 24 CFR Part 146.

AGE

(5) Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. 794) and the implementing regulations at 24 CFR Part 8.

For purposes of the Emergency Solutions Grant Program, the term "dwelling units" in 24 CFR Part 8 shall include sleeping accommodations.

HANDICAPPED
PERSONS

It will make known that the use of the facilities and services is available to all on a nondiscriminatory basis. Where the procedures that a grantee intends to use to make known the availability of such facilities and services are unlikely to reach persons with handicaps or persons of any particular race, color, religion, sex, age or national origin within their service area who may qualify for them, the grantee must establish additional procedures that will ensure that these persons are made aware of the facilities and services.

Subrecipients must also adopt and implement procedures designed to make available to interested persons information concerning the existence and location of services and facilities that are accessible to persons with a handicap.

<p>(6) Executive Order 11246, Equal Opportunity in Federal Employment, September 24, 1965 (30 FR 12319), as amended by Executive Order 12086, October 5, 1978 (43 FR 46501), and the regulations issued pursuant thereto (24 CFR Part 130 and 41 CFR Chapter 60), which provides that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts. Contractors and subcontractors on Federal and Federally assisted construction contracts shall take affirmative action to ensure fair treatment in employment, upgrading, demotion, or transfer; recruitment advertising; layoff or termination, rates of pay or other forms of compensation and selection for training and apprenticeship.</p> <p>(7) Executive Order 11625, October 13, 1971 which prescribes additional arrangements for developing and coordinating a national program for Minority Business Enterprise (36 FR 19967)</p> <p>(8) Executive Order 12138, May 18, 1979 (44 FR 29637) which creates a National Women's Business Enterprise Policy.</p> <p>(9) Pennsylvania Human Relations Act of October 27, 1957, P.L. 744, (43 P.S. 951-963) as amended, which provides that no employee, applicant for employment, independent contractor, or any other person shall be discriminated against because of race, color, religious creed, ancestry, national origin, age, or sex.</p> <p>(10) It will comply with Section 3 of the Housing and Urban Development Act of 1968, P.L. 90-448, as amended (12 U.S.C. 1701(u)), requiring that to the greatest extent feasible opportunities for training and employment be given to low and moderate income residents of the applicant's county and contracts for work in connection with the project be awarded to eligible business concerns which are located in, owned in substantial part by persons residing in the applicant's county.</p>	<p>EQUAL OPPORTUNITY IN EMPLOYMENT</p>
<p>(J) It will comply with the requirements, as applicable, of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846) and implementing regulations at 24 CFR Part 35. In addition, subrecipients must also meet the following requirements relating to inspection and abatement of defective lead-based paint surfaces:</p> <p>(1) Treatment of defective paint surfaces must be performed before final inspection and approval of the renovation, rehabilitation or conversion activity under this part; and</p> <p>(2) Appropriate action must be taken to protect shelter occupants from the hazards associated with lead-based paint abatement procedures.</p>	<p>LEAD BASED PAINT</p>

MENTAL HEALTH TRAINING RESOURCES

For videos of Mental Health Seminars mentioned below and a list of upcoming Mental Health and Homelessness trainings contact Dauphin County Crisis Intervention:

- *Understanding Violence* – Presenter: Dr. Picchio
- *Children with Behavioral Health Issues in Emergency & Transitional Settings* – Presenter: Patricia Moore
- *Supporting Compliance in People with Mental Illness* – Presenter: Wayne D. Schmoyer
- *Defining, Understanding and Supporting People with Major Mental Illness* – Presenter: Dr. Picchio

Note: The CACH Service Delivery Committee has the above seminars on DVD and will provide copies to your organization for a nominal fee.

DRUG AND ALCOHOL RESOURCES

For a handbook entitled *Street Drugs: A Drug Interaction Guide*, contact Dauphin County Executive Commission on Drugs, Alcohol and Tobacco or visit the www.streetdrugs.org website.

The Dauphin County Executive Commission on Drugs, Alcohol and Tobacco also has a wide variety of other training and resources materials available, such as brochures, videos, and seminars. Contact them for more information.

Consumer Compassion and Client Friendly Service

A 2005 survey was conducted at a local shelter to document clients' point of view on staff, facility and rules. The following was learned:

FACILITY

Upon entering a shelter most residents felt *fearful* and *very emotional*. They...

- Pictured the shelter as not a safe place to stay for their children
- Worried that other residents would be dangerous, addicted, or worse
- Worried about getting along with other residents and staff
- Worried they would not have privacy and would sleep in one large dormitory
- Pictured that the shelter would be dirty and unsavory

STAFF

Residents describe a successful helping relationship (with staff members) as F.A.I.R.:

- Facilitative...i.e. helpful.
- Attentive...i.e. focused and genuinely engaged with client.
- Impartial...i.e. non-judgmental and fair across the board to all residents.
- Reassuring...i.e. understanding and hopeful.

Residents know and feel when a staff person genuinely cares about their welfare

Negative interactions with staff include feeling...

- Annoyed
- Belittled – Not necessarily *what* was said but *how* it was said (tone of voice, facial expressions, hand gestures, etc.)
- Upset when confidentiality was loosely handled concerning their business and affairs, for example,
 - announcing over the intercom “so and so, your parole officer is on line 1,” or
 - informing a resident that he or she was not accepted to a program in front of others
- Disrespected
- Frustrated when there are ethnic, cultural, or linguistic misunderstandings – i.e. Latino residents surveyed mentioned that they misunderstood enforcement of rules and regulations as staff not liking them
- Disappointed when there was a lack of follow through, even in small things like staff forgetting to lock a bedroom door as requested.

RULES AND REGULATIONS

Most residents consider fair rules as equal and necessary. They...

- understand that life has rules,
- respect the shelter's assistance and want to abide with rules to maintain their stay,
- are accepting of consequences if the rules were fair and applied fairly to others,
- need to be heard.

On the negative side they...

- are upset if they think some staff members have favorites who they let slide,
- think some rules are enforced more than others,
- feel that the authority goes too far with some rules and could be more lenient

B. PROGRAM NEED & DESIGN

- Describe in detail the need of your community for either rapid rehousing assistance or homelessness prevention. Include factual data such as low income population numbers, unemployment %, occupancy of shelters, Point-In-Time counts that identify the need and type of population that needs to be served with ESG funding. Complete the following chart dealing with the performance measures for the applicant's state formula HPRP Program and all state competitive HPRP contracts.
(Add extra columns if necessary)

Dauphin County has a great need for Homeless Prevention and Homeless Assistance services. In 2009, 13.3% of Dauphin County residents were living in poverty and 30% of Harrisburg City residents living in poverty. The county wide unemployment rate in May of 2012 was 7.1% and the emergency shelter occupancy rate is routinely 100%. As stated in Home Run, The Capital Area's 10-Year Plan to End Homelessness, "the County of Dauphin and the City of Harrisburg have a full array of services to support individuals and families experiencing homelessness. While there may be an appropriate range of services, the availability of services to meet the expressed need is often inadequate. The lack of available services is not a function of weak community will or interest. Rather, the inadequacy of services is a function of available resources to both develop and sustain the effort to address homelessness." According to the Capital Area Coalition on Homelessness (CACH) 2012 Point In Time Survey, in Dauphin County and the City of Harrisburg, on any given day, more than 281 adults and 127 children are homeless.

- Describe in detail the population(s) you plan to target with ESG funds and explain why they were chosen over others.

Based on our experience and CCU's experience in operating the rental assistance program with DPW HAP funds and the HUD funded HPRP, the target population for this grant is persons needing rapid re-housing or homeless prevention in a short term assistance model. Our experience shows that selecting consumers who only require short or medium term engagement in required skill building and case management activities to maintain their current living situations or to establish stable housing achieve successful outcomes. Consumers must demonstrate progress toward self sufficiency to continue in the program. There is more focus on housing stability to prevent future homelessness. From previous experiences of working with clients in case management we have determined that those who pay part of their rent and attend case management sessions are more likely to remain in stable situations. Consumers served by this grant will be in an educational program, working, or have the definite promise of gainful employment, and consumers will be able to demonstrate that they will be able to manage their housing costs on their income to pay rent and all household expenses once the subsidy is completed.

- What is your plan for outreach to your target population(s)?

Community outreach is through coordination with CACH, a voluntary collaborative effort of more than 40 agencies that address homelessness in the City of Harrisburg and the County of Dauphin involving faith based organizations, local and state governments, foundations, non-profit organizations, and businesses. CACH Service Delivery Committee and affiliated agencies will assist CCU with identifying and referring candidates to this program. In addition, the City of Harrisburg also intends to fund CCU for HPRP activities under their ESG grant, so we are leveraging both City and County ESG HPRP resources to the same agency to maximize efficiency and collaboration. CCU is already the "front door" point of entry for all persons in Dauphin County seeking homeless services, rental assistance or shelter services. As such CCU collaborates with more than five agencies that perform street level outreach and engagement services. CCU also provides outreach to the Spanish speaking community and to the street homeless in Harrisburg. Finally, CACH provides an excellent means to "get the word" out about upcoming opportunities to assist the homeless/near homeless populations through an e mail list serve.

4. Summarize the program that will be provided with ESG funds including, for collaborations, the role of the lead agency and of partnering agencies. Include in this summary the types of services you intend to provide or subcontract under the categories above. Include a description of the range of services and an estimate of average costs and/or explanation of rationale of targeted number of households. (Ex: 30 households will receive short term rental assistance that will average \$100 per month, moving costs will average \$115, etc.)

DCED funds will be used to meet the needs of homeless/near homeless individuals/families in obtaining permanent/stable housing through the use of Homeless Prevention (Case Management, Rental Assistance and Utility Payment Services) and Rapid Re-housing (Case Management, Rental Assistance, Utility Payment and Moving Assistance Services). Narrative continued on Program Design (DCED-CCD004) Attachment - Emergency Solutions Grant Program.

5. If applicable, how will your program provide assistance to rapidly re-house persons who are homeless by serving those households most in need of temporary assistance and most likely to achieve stable housing once this assistance terminates?
- Rapid Re-housing - CCU serves as the long established portal into the homeless assistance network in Dauphin County. At the time an applicant requests emergency shelter from CCU, staff interview and assess the request and refer, by agreement, households/individuals to emergency shelter. The availability of RR for these homeless individuals/families either assists them in shortening their shelter stay or avoiding a shelter stay altogether. The ESG Needs Assessment, used in this process, assists in determining eligibility for ESG RR assistance and gathers the applicant's current housing, employment and household information. CCU case managers work with clients and emergency shelter case managers, to develop a casework plan with actions steps to provide assistance in securing housing, accessing appropriate supportive services (medical, mental health, drug and

6. If applicable, how will your program provide prevention assistance to households who would otherwise become homeless by serving those households most in need of temporary assistance and most likely to achieve stable housing once this assistance terminates?

Homeless Prevention - CCU serves as the long established portal into the homeless assistance network in Dauphin County and is well known in the community as a rental assistance provider. At the time of application for rental assistance, the ESG Needs Assessment which gathers the applicant's current housing, employment and household information, will be used to assist in determining eligibility for ESG HP assistance. The importance of follow through on program requirements will be discussed with all clients and they must agree to comply with the following: 1) work with a case manager on establishing goals and follow up monthly; 2) take responsibility for paying part of the monthly rent and the program will pay the remainder and 3) if they do not comply, clients may be discharged from the program. HP case managers will meet with clients at least once a month, to develop a casework

C. ASSESSMENT AND CASE MANAGEMENT

1. Describe how you plan to assess for each household applying for assistance, its eligibility and appropriateness for this program. (Your process must include consultation with a case manager or other authorized representative who can determine the appropriate type of assistance.) Attach a copy of any assessment tool you currently use or plan to use as **Attachment C**.

HP and RR clients will be assessed through the use of the ESG Needs Assessment form (Attachment C) which will be utilized by the staff/Case Manager to gather information about the client's current housing, employment and household situations. Clients will work with a Case Manager on establishing goals and action steps to provide assistance in securing/maintaining housing, accessing appropriate supportive services and mainstream benefits to assist in establishing and maintaining household stability once HP/RR assistance is terminated. Client goals and actions steps will be formalized through the use of the Case Management Plan and Case Management Plan Update forms (Attachment C). The use of the Rental Assistance Client Agreement and the Agreement to Pay

2. Describe the procedures you will use for verifying and documenting the eligibility of program participants for persons receiving assistance longer than three months.

We anticipate that by selecting individuals who have some established skills and baseline in obtaining and maintaining stable housing and who need mostly short term assistance that we will not need to perform many three month eligibility reviews. However all participants will be having at least month meetings with CCU staff and so three month eligibility re-determinations will be performed as part of the on going client engagement with CCU staff. Redeterminations will include income source documentation, and verification, and program compliance and progress determinations.

3. Describe the process that will be followed to meet the ESG program requirements for case management, re-evaluation of need and mainstreaming of resources to aide in the stabilization of the household. Give separate descriptions of process for rapid re-housing and/or homelessness prevention clients.

Rapid Re-housing - At the time an applicant requests emergency shelter, CCU staff interview and assess the request and refer households/individuals to emergency shelter. The ESG Needs Assessment, used in this process by the CCU Case Manager, assists in determining eligibility for ESG RR assistance and gathers the applicant's current housing, employment and household information. The CCU Case Managers work with clients and emergency shelter case managers at least once a month to develop a casework plan with actions steps to provide assistance in securing housing, accessing appropriate supportive services (medical, mental health, drug and alcohol, independent living, etc.) and mainstream benefits like Medicaid, SSI, or TANF to assist in establishing and maintaining

4. Explain how the applicant, agency, or third party contractor will determine that the household has reached stabilization in the program and the process for exit from the program.

The participant's ability to follow through with the goals and action steps in their established Case Management Plan will provide the foundation of determining that the household has reached stabilization in the program. Ability to pay for housing and known living expenses within the person's income as well as progress towards goals will be the primary factors that are used to demonstrate readiness to exit the program. At the point of stabilization, the participant will be exited from the program.

5. Please attach the applicant's, agency's and/or third party contractor's termination policy for participants that do not meet the program's qualifications or become ineligible during the course of the program. This will be **Attachment F** of the application. See Attachment F for documentation related to termination of a client.

D. COST REASONABLENESS

1. If you are applying for Rapid Re-housing funds, describe your process for determining the specific types and levels of assistance you will provide to each household accepted into your program. List any limitations placed on assistance and reasoning. *For example: Only providing a maximum of \$2,000 in total rental assistance in a 3-year period. Based on the county's experience this is the maximum needed to reach stability.*

The clients housing barriers, financial resources and support networks will all be utilized to determine the level of assistance clients receive. The maximum period of assistance will be 3 months for most participants. From past experience we expect that many clients will not need the entire 3 months to achieve stability. We assume that affordable housing can be accessed for no less than \$500 per month for each household. No household will be able to access as subsidy an amount that is greater than 3 months' worth of rent at \$500 per month for a total of a maximum of \$1,500 in rental assistance in a 3 month period.

2. If you are applying for Homelessness Prevention funds, describe your process for determining the specific types and levels of assistance you will provide to each household accepted into your program. List any limitations placed on assistance and reasoning. *For example: Only providing a maximum of \$2,000 in total rental assistance in a 3-year period. Based on the county's experience this is the maximum needed to reach stability.*

No household will be able to access as subsidy an amount that is greater than 3 months' worth of rent at \$500 per month for a total of \$1500 in rental assistance.

E. MEASURING PERFORMANCE

1. How will you measure the performance of your ESG Program(s)? List intended objectives, outcomes and indicators of performance.

Provide 35 clients with short term Homeless Prevention services

Provide 30 clients, who are either in emergency shelter or who cannot access emergency shelter but are homeless according to the guidelines for Emergency Solutions, with Rapid Re-housing services.

Assist a minimum of 59 clients (91%) to achieve Permanent Housing

2. How will the applicant monitor the progress of the program and compliance with the program requirements with its staff, contracted agencies and/or third party contractors?

A review of provider invoices/reports, follow-up contact, meetings and on-site monitoring reviews will assist in the monitoring Dauphin County's ESG Provider. At a minimum, Dauphin County will conduct both fiscal and program annual on-site monitoring reviews to ensure compliance with ESG regulations.

B. Program Need and Design

4. Summarize the program that will be provided with ESG funds including, for collaborations, the role of the lead agency and of partnering agencies. Include in this summary the types of services you intend to provide or subcontract under the categories above. Include a description of the range of services and an estimate of average costs and/or explanation of rationale of targeted number of households. (Ex: 30 households will receive short term rental assistance that will average \$100 per month, moving costs will average \$115, etc.)

DCED funds will be used to meet the needs of homeless/near homeless individuals /families in obtaining permanent/stable housing through the use of Homeless Prevention (Case Management, Rental Assistance and Utility Payment Services) and Rapid Re-housing (Case Management, Rental Assistance, Utility Payment and Moving Assistance Services). From previous experiences of working with clients in case management we have determined that those who pay part of their rent and attend case management sessions are more likely to remain in stable situations. We are proposing 1) to provide short term Homeless Prevention services for 35 clients with the client paying part of the monthly rent and 2) to provide Rapid Re-housing services for 30 clients who are either in emergency shelter or cannot access emergency shelter but are homeless according to the guidelines for Emergency Solutions. 35 HP households will receive short term rental assistance that will average \$150 per month, an estimated 5 of these households will receive utility assistance that will average \$130 per month. 30 RR households will receive short term rental assistance that will average \$165 per month, an estimated 5 of these households will receive utility assistance/moving assistance that will average \$67 per month.

5. If applicable, how will your program provide assistance to rapidly re-house persons who are homeless by serving those households most in need of temporary assistance and most likely to achieve stable housing once this assistance terminates?

CCU serves as the long established portal into the homeless assistance network in Dauphin County. At the time an applicant requests emergency shelter from CCU, staff interview and assess the request and refer, by agreement, households/individuals to emergency shelter. The availability of RR for these homeless individuals/families either assists them in shortening their shelter stay or avoiding a shelter stay altogether. The ESG Needs Assessment, used in this process, assists in determining eligibility for ESG RR assistance and gathers the applicant's current housing, employment and household information. CCU case managers work with clients and emergency shelter case managers, to develop a casework plan with actions steps to provide assistance in securing housing, accessing appropriate supportive services (medical, mental health, drug and alcohol, independent living, etc.) and mainstream benefits like Medicaid, SSI, or TANF to assist in establishing and maintaining household stability once RR assistance is terminated. Clients are required to either be in an educational program, working or have the definite promise of gainful employment. In addition, they must clearly show their

ability to effectively manage their income and pay rent and household expenses once the subsidy is completed. The maximum period of assistance will be 3 months, and not all clients will continue through the entire time. From past experience we can assume that most clients will not complete the entire 3 months. Rent payments will be staggered with clients paying an increasing percentage of the rent each month until the total amount of the subsidy is depleted and the client is paying 100%. We will assume that affordable housing can be accessed for no less than \$500 per month for each household. No household will be able to access as subsidy an amount that is greater than 3 months' worth of rent at \$500 per month. Based on past experience, it is estimated that most households will probably need assistance with security deposits and last month's rent.

6. If applicable, how will your program provide prevention assistance to households who would otherwise become homeless by serving those households most in need of temporary assistance and most likely to achieve stable housing once this assistance terminates?

CCU serves as the long established portal into the homeless assistance network in Dauphin County and is well known in the community as a rental assistance provider. At the time of application for rental assistance, the ESG Needs Assessment which gathers the applicant's current housing, employment and household information, will be used to assist in determining eligibility for ESG HP assistance. We will assume that affordable housing can be accessed for no less than \$500 per month for each household. No household will be able to access as subsidy an amount that is greater than 3 months' worth of rent at \$500 per month. Clients who are not eligible for HP will be referred to the ongoing rental assistance program or other resources that may be available, which are generally limited.

C. Assessment and Case Management

1. Describe how you plan to assess for each household applying for assistance, its eligibility and appropriateness for this program.

HP and RR clients will be assessed through the use of the ESG Needs Assessment form (Attachment C) which will be utilized by the staff/Case Manager to gather information about the client's current housing, employment and household situations. Clients will work with a Case Manager on establishing goals and action steps to provide assistance in securing/maintaining housing, accessing appropriate supportive services and mainstream benefits to assist in establishing and maintaining household stability once HP/RR assistance is terminated. Client goals and actions steps will be formalized through the use of the Case Management Plan and Case Management Plan Update forms (Attachment C). The use of the Rental Assistance Client Agreement and the Agreement to Pay forms (Attachment C) will further formalize the client's agreement/commitment to program activities. Clients will follow-up on a monthly basis with their assigned Case Manager.

3. Describe the process that will be followed to meet the ESG program requirements for case management, re-evaluation of need and mainstreaming of resources to aide in the stabilization of the household. Give separate descriptions of process for rapid re-housing and/or homelessness prevention clients.

Rapid Re-housing - At the time an applicant requests emergency shelter, CCU staff interview and assess the request and refer households/individuals to emergency shelter. The ESG Needs Assessment, used in this process by the CCU Case Manager, assists in determining eligibility for ESG RR assistance and gathers the applicant's current housing, employment and household information. The CCU Case Managers work with clients and emergency shelter case managers at least once a month to develop a casework plan with actions steps to provide assistance in securing housing, accessing appropriate supportive services (medical, mental health, drug and alcohol, independent living, etc.) and mainstream benefits like Medicaid, SSI, or TANF to assist in establishing and maintaining household stability once RR assistance is terminated. Client goals and actions steps will be formalized through the use of the Case Management Plan form and the Case Management Plan Update form will be used as a means of re-evaluating client needs. Additionally, appropriate supportive services and mainstream benefits will be noted as a part of each client's Case Management Plan.

Homeless Prevention – At the time of application for rental assistance, the ESG Needs Assessment which gathers the applicant's current housing, employment and household information, will be used to assist in determining eligibility for ESG HP assistance. The importance of follow through on program requirements will be discussed with all clients and they must agree to comply with the following: 1) work with a case manager on establishing goals and follow up monthly; 2) take responsibility for paying part of the monthly rent and the program will pay the remainder and 3) if they do not comply, clients may be discharged from the program. HP case managers will meet with clients at least once a month, to develop a casework plan with actions steps to provide assistance in maintain housing and accessing appropriate supportive services (medical, mental health, drug and alcohol, independent living, ect.) and mainstream benefits like

Medicaid, SSI, or TANF to assist in establishing and maintaining household stability once HP assistance is terminated. Client goals and actions steps will be formalized through the use of the Case Management Plan form and the Case Management Plan Update form will be used as a means of re-evaluating client needs. Additionally, appropriate supportive services and mainstream benefits will be noted as a part of each client's Case Management Plan.

D. Cost Reasonableness

1. Rapid Re-housing – The clients housing barriers, financial resources and support networks will all be utilized to determine the level of assistance clients receive. The maximum period of assistance will be 3 months for most participants. From past experience we expect that many clients will not need the entire 3 months to achieve stability. We assume that affordable housing can be accessed for no less than \$500 per month for each household. No household will be able to access as subsidy an amount that is greater than 3 months' worth of rent at \$500 per month for a total of a maximum of \$1,500 in rental assistance in a 3 month period. Some of these households will also need utility and moving assistance which will be determined using the standards previously mentioned.

FINANCIAL PROCEDURES

EMERGENCY SOLUTIONS GRANT PROGRAM

APPLICANT NAME & DATE:

Dauphin County MH/ID - July 13, 2012

Please answer the following in as much detail as necessary.
Additional pages may be added and inserted behind this page.

All applicants, agencies and or third party contractors funded with ESG funds are expected to have adequate financial procedures to accurately and effectively account for ESG funds, staff time and grant activities.

1. Please describe the applicant's financial procedures and systems in place to ensure ESG grant funds are properly managed.

Dauphin County MH/ID: The County Commissioners receive a letter from DCED informing us that they have set-up and funded our activities in the Integrated Disbursement and Information System (IDIS) for the Emergency Shelter/Solutions Grant Program (ESG). Upon receipt of this letter the MH/ID Fiscal Officer (FO) then instructs the ESG sub-recipients to bill the program. Upon receipt of the bills the FO reviews them and then sends them to DCED for their approval. Once approved by DCED the FO then pays the sub-recipients and draws the funds in IDIS. Both the County MH/ID Program and its ESG sub-recipients have accounting systems in place to separately identify the ESG revenues and corresponding ESG expenses. The FO reconciles the ESG revenues/expenses in his MH/ID system to the County Controller general ledger. Once the grant has been exhausted the FO completes the required Fiscal Status Report and ESG Closeout Questionnaire.

Christian Churches United: See Attachment

ESG Habitability Standards Inspection Checklist

About this Tool

The Emergency Solutions Grant requires all participants to have an inspection checklist completed for ***all*** assistance regardless of whether it is moving to a new property or for back rent assistance.

The habitability standards are different from the Housing Quality Standards (HQS) used for other HUD programs. Because the HQS criteria are more stringent than the habitability standards, a grantee could use either standard. In contrast to HQS inspections, the habitability standards do not require a certified inspector. Program staff can complete the checklist.

Instructions: Mark each statement as 'A' for approved or 'D' for deficient. The property must meet all standards in order to be approved. A copy of this checklist should be placed in the client file.

Approved or Deficient	Element
	1. <i>Structure and materials:</i> The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from hazards.
	2. <i>Access:</i> The housing must be accessible and capable of being utilized without unauthorized use of other private properties. Structures must provide alternate means of egress in case of fire.
	3. <i>Space and security:</i> Each resident must be afforded adequate space and security for themselves and their belongings. Each resident must be provided with an acceptable place to sleep.
	4. <i>Interior air quality:</i> Every room or space must be provided with natural or mechanical ventilation. Structures must be free of pollutants in the air at levels that threaten the health of residents.
	5. <i>Water Supply:</i> The water supply must be free from contamination.
	6. <i>Sanitary Facilities:</i> Residents must have access to sufficient sanitary facilities that are in proper operating condition, may be used in privacy, and are adequate for personal cleanliness and the disposal of human waste.
	7. <i>Thermal environment:</i> The housing must have adequate heating and/or cooling facilities in proper operating condition.
	8. <i>Illumination and electricity:</i> The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources must be provided to permit use of essential electrical appliances while assuring safety from fire.

Approved or Deficient	Element
	9. <i>Food preparation and refuse disposal</i> : All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.
	10. <i>Sanitary condition</i> : The housing and any equipment must be maintained in sanitary condition.
	<p>11. <i>Fire safety</i>: Both conditions below must be met to meet this standard.</p> <p>a. Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing-impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.</p> <p>b. The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, day care centers, hallways, stairwells, and other common areas.</p>

ESG Lead Screening Worksheet

About this Tool

The ESG *Lead Screening Worksheet* is intended to guide grantees through the lead-based paint inspection process to ensure compliance with the rule. Staff can use this worksheet to document any exemptions that may apply, whether any potential hazards have been identified, and if safe work practices and clearance are required and used. A copy of the completed worksheet along with any additional documentation should be kept in each program participant's case file.

INSTRUCTIONS

To prevent lead-poisoning in young children, ESG grantees must comply with the Lead-Based Paint Poisoning Prevention Act of 1973 and its applicable regulations found at 24 CFR 35, Parts A, B, M, and R. Under certain circumstances, a visual assessment of the unit is not required. This screening worksheet will help program staff determine whether a unit is subject to a visual assessment, and if so, how to proceed. A copy of the completed worksheet along with any related documentation should be kept in each program participant's file.

Note: ALL pre-1978 properties are subject to the disclosure requirements outlined in 24 CFR 35, Part A, regardless of whether they are exempt from the visual assessment requirements.

Basic Information

Name of Client

Address Unit Number

City, State Zip

PART 1: DETERMINE WHETHER THE UNIT IS SUBJECT TO A VISUAL ASSESSMENT

If the answer to one or both of the following questions is 'no,' a visual assessment is not triggered for this unit and no further action is required at this time. Place this screening worksheet and related documentation in the program participant's file.

If the answer to both of these questions is 'yes,' then a visual assessment is triggered for this unit and program staff should continue to Part 2.

1. Was the leased property constructed before 1978?

Yes

No

2. Will a child under the age of six be living in the unit occupied by the household receiving assistance?

Yes

No

PART 2: DOCUMENT ADDITIONAL EXEMPTIONS

If the answer to any of the following questions is 'yes,' the property is exempt from the visual assessment requirement and no further action is needed at this point. Place this screening sheet and supporting documentation for each exemption in the program participant's file.

If the answer to all of these questions is 'no,' then continue to Part 3 to determine whether deteriorated paint is present.

1. Is it a zero-bedroom or SRO-sized unit?
 - Yes
 - No
2. Has X-ray or laboratory testing of all painted surfaces by certified personnel been conducted in accordance with HUD regulations and the unit is officially certified to not contain lead-based paint?
 - Yes
 - No
3. Has this property had all lead-based paint identified and removed in accordance with HUD regulations?
 - Yes
 - No
4. Is the client receiving Federal assistance from another program, where the unit has already undergone (and passed) a visual assessment within the past 12 months (e.g., if the client has a Section 8 voucher and is receiving assistance for a security deposit or arrears)?
 - Yes (Obtain documentation for the case file.)
 - No
5. Does the property meet any of the other exemptions described in 24 CFR Part 35.115(a).
 - Yes
 - No

Please describe the exemption and provide appropriate documentation of the exemption.

PART 3: DETERMINE THE PRESENCE OF DETERIORATED PAINT

To determine whether there are any identified problems with paint surfaces, program staff should conduct a visual assessment prior to providing any financial assistance to the unit as outlined in the following training on HUD's website at:

<http://www.hud.gov/offices/lead/training/visualassessment/h00101.htm>.

If no problems with paint surfaces are identified during the visual assessment, then no further action is required at this time. Place this screening sheet and certification form (Attachment A) in the program participant's file.

If any problems with paint surfaces are identified during the visual assessment, then continue to Part 4 to determine whether safe work practices and clearance are required.

1. Has a visual assessment of the unit been conducted?
 - Yes
 - No
2. Were any problems with paint surfaces identified in the unit during the visual assessment?
 - Yes
 - No (Complete Attachment A – Lead-Based Paint Visual Assessment Certification Form)

PART 4: DOCUMENT THE LEVEL OF IDENTIFIED PROBLEMS

All deteriorated paint identified during the visual assessment must be repaired prior to clearing the unit for assistance. However, if the area of paint to be stabilized exceeds the de minimus levels (defined below), the use of lead safe work practices and clearance is required.

If deteriorating paint exists but the area of paint to be stabilized does not exceed these levels, then the paint must be repaired prior to clearing the unit for assistance, but safe work practices and clearance are not required.

1. Does the area of paint to be stabilized exceed any of the de minimus levels below?
 - 20 square feet on exterior surfaces Yes No
 - 2 square feet in any one interior room or space Yes No
 - 10 percent of the total surface area on an interior or exterior component with a small surface area, like window sills, baseboards, and trim Yes No

If *any* of the above are 'yes,' then safe work practices and clearance are required prior to clearing the unit for assistance.

PART 5: CONFIRM ALL IDENTIFIED DETERIORATED PAINT HAS BEEN STABILIZED

Program staff should work with property owners/managers to ensure that all deteriorated paint identified during the visual assessment has been stabilized. If the area of paint to be stabilized does not exceed the de minimus level, safe work practices and a clearance exam are not required (though safe work practices are always recommended). In these cases, the program staff should confirm that the identified deteriorated paint has been repaired by conducting a follow-up assessment.

If the area of paint to be stabilized exceeds the de minimus level, program staff should ensure that the clearance inspection is conducted by an independent certified lead professional. A certified lead professional may go by various titles, including a certified paint inspector, risk assessor, or sampling/clearance technician. Note, the clearance inspection cannot be conducted by the same firm that is repairing the deteriorated paint.

1. Has a follow-up visual assessment of the unit been conducted?

- Yes
 No
2. Have all identified problems with the paint surfaces been repaired?
 Yes
 No
3. Were all identified problems with paint surfaces repaired using safe work practices?
 Yes
 No
 Not Applicable – The area of paint to be stabilized did not exceed the de minimus levels.
4. Was a clearance exam conducted by an independent, certified lead professional?
 Yes
 No
 Not Applicable – The area of paint to be stabilized did not exceed the de minimus levels.
5. Did the unit pass the clearance exam?
 Yes
 No
 Not Applicable – The area of paint to be stabilized did not exceed the de minimus levels.

Note: A copy of the clearance report should be placed in the program participant's file.

1. Dauphin County Homelessness Prevention and Rapid Re-Housing Program HPRP Agreement
2. Appendix B - HPRP Contract Work Statement – Homeless Prevention and Rapid Re-housing

**DAUPHIN COUNTY
HOMELESSNESS PREVENTION AND RAPID RE-HOUSING PROGRAM
(HPRP) AGREEMENT**

THIS AGREEMENT is made effective the **1st day of January, 2013**, by and between the County of Dauphin, Pennsylvania (hereinafter referred to as "**County**"), a County of the third class having its principal office at the Office of the County Commissioners, 4th floor, Dauphin County Administration Building, 2 South Second Street, Harrisburg, Pennsylvania 17101, by and through its Mental Health/Intellectual Disability Program, (hereinafter referred to as "**Agency**"), and, a Pennsylvania Non-Profit Corporation, (hereinafter referred to as "**Provider**") having its principal place of business at .

WHEREAS, the American Recovery and Reinvestment Act of 2009 was enacted on February 17, 2009; and

WHEREAS, as a result of this legislation, the United States Department of Housing and Urban Development disbursed funds to the Pennsylvania Department of Community and Economic Development for the purposes of providing homelessness prevention and rapid re-housing assistance to households who would otherwise become homeless; and

WHEREAS, the Pennsylvania Department of Community and Economic Development has disbursed a portion of said funds to Dauphin County for purposes of providing these services; and

WHEREAS, the intent of the Homelessness Prevention and Rapid Re-Housing Program (hereinafter referred to as "HPRP") is to provide temporary financial assistance and housing relocation and stabilization services to individuals and families who are homeless, or who would be homeless *but for* this assistance; and

WHEREAS, the Dauphin County Board of Commissioners have made their intentions known that they will, where feasible, provide services through providers to the extent funds are made available; and

WHEREAS, the provider has made its intentions known that it wishes to provide homelessness prevention and rapid re-housing services; and

WHEREAS, after due legal review, the County believes it has the authority and capacity to enter into this contract as part of a Federal health and welfare program. 16 P.S. § 1999b.

NOW, THEREFORE, in consideration of the mutual promises made herein, the parties, intending to be legally bound, hereby agree as follows:

1. Compensation:

Provider shall be remunerated at the rates set forth in "Appendix A", attached hereto and incorporated herein and made a part hereof by reference, on a program-funded basis not to exceed the total amount of \$ _____ Provider will invoice Agency for payment related to Provider's services, via a format acceptable to Agency and the County Solicitor's and Controller's Offices, not later than the tenth (10th) working day or the fifteenth (15th) calendar day of each month, whichever is later. Agency will deliver all approved Provider invoices to the Dauphin County Office of Controller with the request for immediate payment. A check will be sent directly from the County Controller's Office. In the event that funding to the Agency from the United States Department of Housing and Urban Development is not obtained and continued at an aggregate level sufficient to allow for the purchase of the indicated quantity of purchased services, the obligation of each party hereunder shall thereupon be terminated. The Agency shall not, from funds in the general treasury of the County, replace any reduced Homelessness Prevention and Rapid Re-Housing Program Funds.

2. Description of Services:

Provider shall perform for the County the services outlined and approved by the Agency and attached hereto as "Appendix B", said Appendix being incorporated herein and made a part hereof by reference. Program accessibility by Dauphin County residents shall be on the basis of need and eligibility for service, and where necessary on a priority ranking basis. Provider warrants that it shall perform the services stated in "Appendix B" in compliance with contractual requirements governing HUD Programs and that all services stated in "Appendix B" shall be developed and conducted in compliance with all eligible activities outlined in the Department Of Housing And Urban Development [and all subsequent clarifications found at: <http://www.hudhre.info/esg>].

3. Term:

The term of this Agreement shall be from January 1, 2010 until the earlier of July 31, 2012 or the date when the HPRP funds allocated to Dauphin County are exhausted. Provider shall work in a timely and diligent manner so as to complete performance by the end of the term.

4. Termination:

The County may terminate this Agreement at any time, with or without cause, by providing at least thirty (30) days written notice of the termination date to the Provider. The Provider may terminate this Agreement at any time, with or without cause, by providing at least sixty-five (65) days written notice of the termination date to the County. Unless determined otherwise by the County, termination will have no effect upon the rights and obligations of the parties arising out of any transactions(s) occurring prior to the effective date of such termination. In the event that this Agreement is terminated, the County agrees to compensate Provider for the reasonable costs of services performed to the date of termination at the rates provided for in this Agreement. Notwithstanding the forgoing, the County may immediately terminate this Agreement if, in the opinion of the County, any material adverse condition occurs in Provider's business organization or affairs.

5. Risk Allocation / Force Majeure:

Neither party to this Agreement assumes a risk of any event, foreseeable or unforeseeable and beyond the reasonable control of either party, that has a material effect upon the performance of the subject matter of this Agreement, including but not limited to fire, flood, natural disaster, strike of its personnel, war, insurrection, riot, the declaration of a state or national emergency, acts of civil or military authorities, acts of God or the public enemy, acts of terrorism, epidemic, pandemic, or any other event, like or unlike these events, that renders performance impracticable. Upon such an event the County may, in its sole discretion, suspend, cancel or terminate this Agreement in whole or in part at any time, without payment to Provider except for performance rendered prior to the date of said suspension, cancellation or termination, and Provider shall make no claim for quantum meruit or promissory estoppel. This provision supersedes any provision herein to the contrary.

6. Eligibility Criteria and Determination:

Provider shall be responsible for the determination of client eligibility. Eligibility shall be solely in accordance with, and pursuant to the Department of Housing and Urban Development's proposed and promulgated Homelessness Prevention and Rapid Re-housing Program Regulations.

7. Relationship of Parties:

Provider expressly warrants that Provider is a private and independent company and as such is not an employee of the County. The relationship created by this Agreement is that of an owner and an independent contractor. As an independent contractor, Provider assumes all risk of loss relating to the subject matter of this Agreement and shall defend all litigation brought against it in such capacity. No withholding will be made by the County for any federal, state or local taxes, Social Security or other taxes from the amounts to be paid to the Provider by the County. Provider further agrees to be solely responsible for the payment and withholding of such taxes. Provider agrees to hold the County harmless from the assessment of any and all taxes due and payable by the Provider arising from any compensation received from the County. As an independent contractor, Provider is not covered by the County's worker's compensation, unemployment, or liability insurance as provided by the County to its employees and expressly waives any such coverage.

8. Conflict of Interest:

Provider covenants that no officer, member or employee has direct or indirect interest which would conflict in any manner with the performance of services under this Agreement and, during the performance of such services, Provider shall not engage in any activities which could cause a conflict of interest or the appearance thereof. Provider specifically covenants that it will comply with the conflict of interest regulations found in 24 CFR 84.42 at all times during the performance of services.

9. Standard of Conduct:

In order to protect the County's good will, Provider agrees that Provider and any employees of Provider will behave and conduct themselves reasonably, prudently, and

courteously in such a manner as not to reflect adversely upon the County; and will perform at all times faithfully, industriously, and to the best of their ability, experience, and talents, all of the duties that may be required of them pursuant to the expressed and implicit terms of this Agreement, and to the complete satisfaction of the County; and will act in conformity with all statutes, regulations and ordinances of the United States, of the Commonwealth of Pennsylvania, and of Dauphin County. Any conduct deemed to be adverse to the interest of the County, in the sole opinion and at the option of the County, may cause this Agreement to be terminated immediately without notice.

10. Authority to Contract:

Provider covenants, represents and warrants that if Provider's form of organization is a corporation, that it is duly organized, validly existing in good standing under the laws of the Commonwealth of Pennsylvania; and that Provider is entering into this Contract either in the ordinary course of its business activities, or pursuant to a Resolution of its Board of Directors or governing body validly called and held.

11. Default:

Any breach of performance of any term, provision or condition of this Agreement shall constitute a default under this document and County, at its sole discretion, may declare this Agreement terminated. Any violation of either County, State or Federal law which results in a guilty plea, a plea of *nolo contendere* or conviction of a criminal offense amounting to no less than a misdemeanor by Provider, its directors, employees, or agents arising out of the performance of this Contract may be considered a breach of this Agreement and County, at its sole discretion, may declare this Agreement terminated.

12. Dispute Notification:

In the event of disputes arising under this Agreement and prior to the initializing of legal action, the Provider shall reduce each and every complaint to writing and deliver same to the Dauphin County MH/ID Administrator and thereafter the Provider may request review by the Dauphin County Mental Health and Intellectual Disabilities Advisory Board.

13. Remedies:

It is further understood and agreed that money damages may not be a sufficient remedy for any breach of this Agreement by Provider and that the County shall also be entitled to specific performance as a remedy for any such breach. These remedies shall not be deemed to be the exclusive remedies for breach of this Agreement, but shall be in addition to all other remedies available at law or equity to the County.

14. Indemnification:

Provider agrees to indemnify and hold the County, its commissioners, administrators, directors, officers, employees, and agents harmless from and against any and all claims, actions, losses, costs, expenses, liabilities, damages or injuries of any nature including death that may be asserted against the County or its' Agency by third parties

caused by the negligence, willful acts, errors or omissions of the Provider, its directors, officers, employees, or agents.

15. Funding Source Disallowance:

Provider acknowledges that the County receives funding, *inter alia*, from the United States Department of Housing and Urban Development through the Pennsylvania Department of Community and Economic Development and that said funding may be used by the County to compensate Provider the amounts set forth in this Agreement. In the event the Department of Housing and Urban Development or the Pennsylvania Department of Community and Economic Development, after an audit or otherwise, should disallow any amount of funding used by the County to compensate Provider for the Provider's services hereunder, then Provider shall reimburse to the County the amount of any such disallowance. For purposes of this section, Provider shall have the right to defend and participate in any audit or other action conducted by the Department of Housing and Urban Development or the Pennsylvania Department of Community and Economic Development that could result in a disallowance finding.

16. Administrative Requirements:

Provider acknowledges that all funds disbursed under this agreement are subject to the administrative requirements of 24 CFR Part 84, 24 CFR 570(K), OMB Circular A-122, and OMB Circular A-133. Provider specifically covenants to comply with said requirements at all times during the performance of services.

17. Situs:

This Agreement shall be construed and governed pursuant to the laws of the Commonwealth of Pennsylvania pursuant to the execution of this agreement in said jurisdiction. Any choice of laws issues shall be deemed to utilize the choice of laws rules of the Commonwealth of Pennsylvania. Any dispute arising from this Agreement shall be heard in the Court of Common Pleas of Dauphin County.

18. Assignments and Delegation:

This agreement shall not be assigned by the Provider without the express written consent of the County. Provider shall not delegate any of its duties under this Agreement or utilize subcontractors without the express written consent of the County.

19. Severability:

All agreements, provisions and covenants contained in this Agreement are severable, and in the event any of them are held to be invalid by any competent court, this Agreement will be interpreted as if the invalid agreements, provisions or covenants were not contained in this Agreement.

20. Integration:

This Agreement (and any incorporated Appendices) constitute the entire understanding of the parties with respect to the subject matter of this Agreement and cancels, supersedes and terminates all prior agreements, contracts, understandings,

negotiations, and other arrangements between the parties whether written or oral or partly written and partly oral.

21. Amendment/Waiver:

Any alterations, variations, modifications, amendments, waivers or additional provisions to this Agreement will be valid only when reduced to writing, duly signed by all parties, and attached hereto. No oral amendment or waiver shall be effective and this provision may not be orally amended or waived. The parties hereto further agree that any particular course of performance may not be used by any trier-of-fact to imply or infer a modification of this Agreement.

22. Strict Enforcement:

The delay or failure of the County to strictly enforce any provision of this Agreement will not bar the County from any subsequent enforcement of any right, remedy or legal cause of action.

23. Notices:

All notices given or so sent hereunder shall be sent by United States mail, postage prepaid, addressed to the respective party at the last known address of occupancy specified in this Agreement as of the date said notice is to be mailed.

24. Reporting, Program and Fiscal Audit Review:

Provider is responsible for obtaining the necessary audit and shall secure the services of a Certified Public Accountant to perform an audit in accordance with the requirements attached hereto in "Appendix C" which is incorporated herein and made a part hereof by reference.

25. Participation in the Homeless Management Information System (HMIS):

Provider shall actively participate in the County's Homeless Management Information System and make all required quarterly reporting. Provider agrees to receive onsite monitoring, technical assistance and training as the County from time to time may require.

26. Records:

- (a) Provider agrees to maintain books, records, documents and other evidence pertaining to the costs and expense of this Agreement (hereinafter collectively referred to as "the records") in such detail as will properly reflect all costs, direct and indirect, of labor, materials, equipment, supplies and services and other costs, and expenses of whatever nature for which reimbursement is claimed under the provisions of the Agreement.

- (b) Provider agrees to make available at the office of the Provider at all reasonable times during the term of this Agreement and the period set forth in subparagraph "C" below, any of the records for inspection, audit or reproduction by any authorized representative of the Federal, State or County governments.

(c) Provider shall preserve and make available records for a period of four (4) years from the date of final payment under this Agreement, and for such period, if any, as is required by applicable statute, by any other paragraph of this Agreement, or by either of the following:

1. If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of four years from the date of any resulting final statement.
2. Records which relate to litigation or the settlement of claims arising out of the performance of this Agreement, or costs and expenses of this contract as to which exception has been taken by the auditors, shall be retained by Provider until such litigation, claims or exceptions have been disposed.

(d) The provisions of this paragraph shall be applicable to and included in each subcontract hereunder. The term "subcontract" as used in this contract excludes purchase orders not exceeding \$1,000 and subcontracts or purchase orders for public utility service at rates established for uniform applicability to the general public.

(e) Provider agrees to:

1. Maintain a system of program records as required by the United States, Pennsylvania and County;
2. Maintain for each individual served, records that are adequate for:
 - (i) reviewing history of service to individual;
 - (ii) planning and continuous evaluation of the services being rendered and planned;
 - (iii) providing a means of communication for all persons involved in the service program;

27. Federal Funds Supplanting Other Funds:

Provider certifies that any funds to be used under this Agreement do not replace or supplant in any way, State and Federal funds for already existing services.

28. Licenses and Certifications:

Provider will maintain all appropriate licenses and certifications which may be necessary to perform its duties under this Agreement. Provider, upon request, will provide Agency with a copy of each relevant license or certificate to provide service as certified by the appropriate regulatory body; and, will notify the County in writing within five (5) working days of any loss of or change in certification or reclassification by a regulatory body.

29. Insurance:

Provider will maintain at its sole expense a valid policy of insurance covering Comprehensive General Liability with a combined single limit of \$1,000,000 per occurrence for bodily injury and property damage, Contractors Protective Liability, Products Liability and Completed Operation; Worker's Compensation as required by law; Professional Liability Insurance with limits of liability of not less than \$ 1,000,000 per occurrence arising from the acts or omissions of Provider applicable to this Agreement; Fidelity Bond Insurance for employees who have financial responsibilities relating to this contract; and Comprehensive Liability Insurance covering all owned, hired, and non-owned automobiles with limits of \$1,000,000 per occurrence. Upon request, Provider will furnish Agency a certificate of such insurance coverage; and, will give Agency prompt written notice of any material change in Provider's insurance coverage. In addition, the County shall be named as additional insured relating to the above coverages.

30. Confidentiality:

Provider agrees that it shall not divulge without the express written permission of the County and shall keep confidential any information produced or obtained by it in the course of its performance under this Agreement. Provider agrees that any information produced or obtained in the performance of this Agreement will not be used by Provider, its employees, affiliates or representatives in any way detrimental to the County. Provider agrees that it will not, and its representatives will not, disclose to anyone any information relating to the business of the County.

31. Ownership of Documents:

All material and information whether written or electronic, including but not limited to, documents, reports, notes, and analyses, produced by Provider shall be deemed "works for hire" and are the intellectual property of the County. The County shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the County as part of the performance of this Agreement. All program and clinical records prepared by or in possession of the Provider shall at all times be deemed the property of the County and all originals and any copies thereof shall be available to the County at all times during the term of this Agreement and shall be delivered to the County at any time directed. In the event of the non-renewal or termination of this Agreement or any part thereof, copies of all such program and clinical records shall be transferred to the County at such time and according to such directions as the County may issue. The County may chose, but is not obligated to reimburse the Provider for the cost of creating said copies at an agreed upon rate.

32. Assignment of Antitrust Claims:

Provider and the County recognize that in actual economic practice, overcharges by the Provider's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the County. As part of the consideration for the award of this Agreement, and intending to be legally bound, the Provider assigns to the County all right, title and

interest in and to any claims the Provider now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Agreement.

33. Americans with Disabilities Act (ADA):

Pursuant to federal regulations promulgated under the authority of *The Americans With Disabilities Act*, 28 C.F.R. § 35.101 *et seq.*, Provider understands and agrees that it shall not cause any individual with a disability to be excluded from participation in this Contract or from activities provided for under this Contract on the basis of the disability. As a condition of accepting this contract, Provider agrees to comply with the "*General Prohibitions Against Discrimination*," 28 C.F.R. § 35.130, and all other regulations promulgated under Title 11 of *The Americans With Disabilities Act*, which are applicable to all benefits, services, programs, and activities provided by the County of Dauphin or the Commonwealth of Pennsylvania through contracts with outside contractors. Provider shall be responsible for and agrees to indemnify and hold harmless the County of Dauphin from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the County of Dauphin as a result of Provider's failure to comply with the provisions of this section.

34. Nondiscrimination/Sexual Harassment

During the term of this Agreement, Provider agrees as follows:

- (a) In the hiring of any employees for the manufacture of supplies, performance of work, or any other activity required under this Agreement or any subcontract, the Provider, subcontractor or any person acting on behalf of the Provider or subcontractor shall not by reason of gender, race, creed, or color discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- (b) Neither the Provider nor any subcontractor nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of work or any other activity required under this Agreement on account of gender, race, creed, or color.
- (c) The Provider and any subcontractors shall establish and maintain a written sexual harassment policy and shall inform their employees of the policy. The policy must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.
- (d) The Provider shall not discriminate by reason of gender, race, creed, or color against any subcontractor or supplier who is qualified to perform the work to which this Agreement relates.
- (e) The Provider and each subcontractor shall furnish all necessary employment documents and records to and permit access to its books, records, and accounts by the County and the Commonwealth of Pennsylvania Department of General

Services' Bureau of Contract Administration and Business Development for purposes of investigation to ascertain compliance with the provisions of this Nondiscrimination/Sexual Harassment Clause. If the Provider or any subcontractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the County, the contracting officer or the Bureau of Contract Administration and Business Development.

- (f) The Provider shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor.
- (g) The County may cancel or terminate this Agreement and, notwithstanding any other provision in this Agreement, all money due or to become due under this Agreement may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.
- (h) The Provider shall comply with all applicable fair housing and civil rights requirements in 24 CFR 5.105(a).
- (i) The Provider shall affirmatively further fair housing opportunities for classes protected under the Fair Housing Act. Protected classes include race, color, national origin, religion, sex, disability, and familial status.

35. Drug-Free Workplace Act of 1988 (P.L. 100-690):

Provider shall certify to the Agency that Provider is in compliance with the Drug-Free Workplace Act, 41 U.S.C. §701 *et. seq.* Use, possession, sale, manufacture, or distribution of illegal drugs or other controlled substances (not documented as for medical purposes) on the work site by employees, subcontractors, or agents is prohibited. Employees, subcontractors, and agents shall be notified of this prohibition and that violators of this policy may be removed or barred from the work site by the Provider or at the request of the County.

36. Lobbying and Disclosure

Provider covenants that no Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. Provider further covenants that if any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or

employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Appendix B
HPRP Contract Work Statement
Homelessness Prevention and Rapid Re-housing

- a) Provider shall provide homelessness prevention assistance to individuals and families who are currently in housing but are at risk of becoming homeless and need temporary rent or utility assistance to prevent them from becoming homeless or assist them in the process of moving to another unit. Funds will be distributed for the sole purpose of assisting in the payment of utilities, moving costs, security deposits and rent in a new unit, storage fees, and other financial costs or services related to the above mentioned expenses.
- b) Provider shall provide rapid re-housing assistance to homeless individuals by distributing funds to individuals for the sole purpose of assisting in the payment of utilities, moving costs, security deposits and rent in a new unit, storage fees, and other financial costs or services related to the above mentioned expenses. Provider shall distribute funds to individuals and/or families who are either:
 - a. residing in emergency shelters, transitional shelters, or living on the street,
 - b. on the verge of becoming homeless including those timing out of or prepared to leave transitional programs,
 - c. in need of temporary assistance in order to obtain housing and retain it, or
 - d. victims of domestic violence
3. When serving an individual or family, Provider shall utilize eligibility determination criteria which are in compliance with The Department of Housing and Urban Development (HUD) requirements including but not limited to the following:
 - a. An initial consultation with a case manager or authorized representative to determine the appropriate type of assistance needed to meet the individual/family needs.
 - b. Households must be at or below 50 percent of Area Median Income (AMI).
 - c. Households must be either homeless or at risk of losing their housing and no appropriate subsequent housing options have been identified and the household lacks the financial resources and support networks needed to obtain immediate housing or remain in its existing housing.
 - d. Prevention Assistance must be targeted to those individuals and families at the greatest risk of becoming homeless. The defining question is: "Would this individual or family be homeless *but* for this assistance?"
4. Provider shall conduct property inspections of all rental assistance properties on an annual basis and upon change of tenancy using the following specifications:
 - a. State and local requirements:
 - i. Provider shall ensure that the housing occupied by a family/individual is in compliance with all applicable state and local housing codes, licensing requirements, and any other requirements in the jurisdiction in which the housing is located regarding the condition of the structure and the operation of the housing or services.

Appendix B
HPRP Contract Work Statement
Homelessness Prevention and Rapid Re-housing

b. Habitability standards:

- i. Structure and materials. The structure is structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from the elements.
- ii. Access. The housing is accessible and capable of being utilized without unauthorized use of other private properties. Structures provide alternate means of egress in case of fire.
- iii. Space and security. Each resident is afforded adequate space and security for themselves and their belongings. Each resident is provided an acceptable place to sleep.
- iv. Interior air quality. Every room or space is provided with natural or mechanical ventilation. Structures are free of pollutants in the air at levels that threaten the health of residents.
- v. Water supply. The water supply is free from contamination.
- vi. Sanitary facilities. Residents have access to sufficient sanitary facilities that are in proper operating condition, may be used in privacy, and are adequate for personal cleanliness and the disposal of human waste.
- vii. Thermal environment. The housing has adequate heating and/or cooling facilities in proper operating condition.
- viii. Illumination and electricity. The housing has adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents. Sufficient electrical sources are provided to permit use of essential electrical appliances while assuring safety from fire.
- ix. Food preparation and refuse disposal. All food preparation areas contain suitable space and equipment to store, prepare, and serve food in a sanitary manner.
- x. Sanitary condition. The housing and any equipment is maintained in sanitary condition.
- xi. Lead-Based Paint Requirements
The structure must comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4801 et seq.), as amended by the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 et seq.) and implementing regulations at 24 CFR part 35, subparts A, B, M, and R.

Appendix B
HPRP Contract Work Statement
Homelessness Prevention and Rapid Re-housing

- xii. Fire safety
 - a. The unit includes at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors are located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing impaired person(s), smoke detectors have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.
 - b. The public areas of this housing is equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, stairwells, and other common areas.

- 5. Provider shall develop a form, subject to Agency approval, that includes the name of the person completing the inspection, date of inspection, address of the unit, and that certifies all requirements set forth in Paragraph 3.

- 6. Provider shall establish and follow confidentiality procedures to ensure:
 - a. The confidentiality of records pertaining to any individual provided with assistance.
 - b. That the address or location of any assisted housing will not be made public, except to the extent that this prohibition contradicts a pre-existing privacy policy of the provider.

- 7. Provider shall develop a participant termination process to ensure the provision of a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process, at a minimum, must consist of:
 - a. Written notice to the participant containing a clear statement of the reasons for termination.
 - b. A review of the decision, providing the participant the opportunity to present written or oral objections before a person (or subordinate of that person) other than the person who made or approved the termination decision.
 - c. Prompt written notice of the final decision to the participant.

- 8. Provider shall submit monthly progress reports detailing implementation of the HPRP activities. Monthly reports shall contain, at minimum, the following information:
 - a. Number of unduplicated clients served.
 - b. Demographic information of clients served (including race, ethnicity, gender, and disability status, income, household size/makeup).
 - c. Level and type of assistance provided.

V. WORK STANDARDS

A. Confidentiality

Dauphin County provides the following guidelines for the protection of information accessible by employees in the normal course of business, which are deemed by the County to be confidential in nature:

1. Employees shall not, without prior written permission from their elected official or department director, disclose to any individual, entity, government agency, or business, information deemed confidential in nature.
2. Upon the County's request, or upon separation of employment (including termination or retirement), employees shall return to Dauphin County all confidential information, including material such as drawings, notebooks, reports, and other tangible methods of expression, such as hard and soft disk drive mechanisms and software. Employees shall not retain copies of any Dauphin County property or documentation in any form or medium.
3. Employees shall comply, and do all things necessary to ensure County compliance with any applicable laws and regulations, and with provisions of Dauphin County contracts, that relate to intellectual property or the safeguarding of information, which includes, but is not limited to, the locking of desks and file cabinets.
4. The following instances are situations in which the County may authorize employees to share otherwise confidential information:
 - a. When required by applicable law, regulation, court order, or subpoena.
 - b. To auditors or regulators.
 - c. To service providers as necessary for the performance of duties under an agreement or contract with Dauphin County.
 - d. To a consumer reporting agency in accordance with the Fair Credit Reporting Act.

Confidential Information is defined as any and all information disclosed to an employee as a consequence of employment with Dauphin County that is not generally known to people outside of the County about its business, marketing, finances, operations, employees, methods, processes, compositions, machines, computer software or programs, research projects, customers, customer accounts, customer information, customer reports and customer finances, suppliers, accounts billing methods, pricing data, sources of supply, business methods, production or merchandising systems or plans, and any and all information entrusted to Dauphin County in confidence by third parties, and any and all information defined as "trade secrets" under the Uniform Trade Secrets Act. The foregoing information is considered confidential whether or not such information may be subject to disclosure under the Pennsylvania Right to Know Law or any other statute or legal process, as defined by law.

Any employee that is found, after reasonable investigation, to have breached this policy may be subject to disciplinary action, up to and including, termination or legal process, or both.

B. Statement of Ethics

The Board of Commissioners has an ethics policy to establish minimum levels of ethical conduct for all County employees. This policy describes those acts or actions that are incompatible with the best interests of the County. Employees are required to disclose any private financial or other interests, which may directly or indirectly affect the conduct of County business.

Employees shall not:

1. Accept any gift, favor, or article of value that may tend to influence him/her in the discharge of duties.
2. Grant any improper favor, service, or article of value through their County duties.
3. Misuse any County information, property, equipment, or other resource.

Employees may accept small plaques or other gifts they receive in recognition for their service from either the County and/or those with whom the County partners in providing its services to the citizenry of the County. Gifts can be of no greater value than \$250.00. A written record shall be made as receipt of such and provided to the Solicitors' Office.

Employees who violate this policy will be subject to appropriate disciplinary action.

C. Job Duties

As part of the initial orientation, employees will learn the various duties and responsibilities of their jobs. The County maintains certain expectations and standards applicable to each position. Supervisors should review expectations and standards with their employees. It is expected that employees will also perform additional duties and assume additional responsibilities as needed by their supervisor for the efficient operation of the County.

D. Professional Conduct

Every employee must remember that Dauphin County is a tax-supported entity and the citizens of Dauphin County paying those taxes should receive the highest quality of service possible. All employees should act in a professional manner, using good judgment and courtesy at all times, and should avoid any type of behavior that could appear illegal or unethical. Employees should carry out their work efficiently, honestly, and keep good relationships with the public.

E. Employee Dress and Personal Appearance

Citizens observe employees of Dauphin County often in the course of their work. As Dauphin County representatives, employees are asked to meet high standards both in the quality of their

work and in presenting a professional image to the public. While there is no formal dress code, unless specifically established by the department, employees are expected to maintain good physical grooming, have a neat and clean appearance, and display a pleasant disposition to citizens and colleagues. Any exposed body piercing (eyebrow, nose, tongue, et cetera) is prohibited. Any other body piercing (excluding ears) and tattoos must be covered at all times.

Uniforms may be required for certain County jobs. Employees will be responsible for keeping their uniforms clean and neat. Employees that report to work dressed inappropriately may be prevented from working until they return wearing the proper attire.

Deviation from this policy by department heads or elected officials is permissible with approval by the Board of Commissioners and only in cases when it has been demonstrated that such deviation is necessary for the successful performance of the individual's job duties.

F. Interpersonal Relationships

Personal relationships between employees can sometimes have an adverse impact on the working relationship, similar to a situation where a relative is employed. A personal relationship between a supervisor and a subordinate could later lead to allegations of unlawful sexual harassment, even if the relationship began as a consensual one. Even if the two employees are not in the same department, a personal relationship could have an adverse impact on the morale of others in the workplace, especially if inappropriate behavior is exhibited in the workplace.

Personal relationships between coworkers can also give rise to potential liability for the employer. Thus, the County discourages personal relationships between superiors and subordinates, and between co-employees. Any behavior that could be interpreted by any employee as the showing of favoritism due to a personal relationship is strictly prohibited. Employees are directed to maintain a professional demeanor in the workplace; inappropriate behavior will not be tolerated.

CONFLICT OF INTEREST POLICY

CONFLICT OF INTEREST may exist when the interests or concerns of an interested party may be seen as influencing or competing with the interests or concerns of Christian Churches United. This may be done directly or indirectly through one's position with CCU as a volunteer, board member or staff (interested parties) as a person who has independent decision making authority with respect to the resources of the organization. While conflicts of interest are not inherently illegal or against policy, failure to disclose these interests are against policy and may require corrective action, including separation from CCU activities.

Conflict of interest situations may include, but are not limited to, the following:

Financial Interests A conflict may exist where an interested party, or a relative or business associate of an interested party, directly or indirectly benefits or profits as a result of a decision made or transaction entered into by Christian Churches United.

Examples include situations where:

- CCU contracts to purchase or lease goods, services or properties from an interested party or his/her relatives or business associates;
- CCU purchases an ownership interest in or invest in a business entity owned by an interested party or his/her relatives or business associates;
- CCU offers employment to an interested party or his/her relatives or business associate, other than a person who is already employed by CCU.
- An interested party is provided with a gift, gratuity or favor of more than \$100.00 from a person or entity that does business or seeks to do business with CCU. (This would include gifts from vendors, landlords, etc.)
- An interested party or his/her relative or business associate is gratuitously provided use of the facilities, property or services of CCU.

Other Interests A conflict may also exist where an interested party or his/her relatives or business associates obtains a non-financial benefit or advantage that he or she would not have obtained outside of the relationship with CCU or where his/her duty or responsibility owed to CCU conflicts with a duty or responsibility owed to some other organization. Examples:

- An interested party seeks to obtain preferential treatment or services by CCU for himself or herself or for a relative, significant other or business associate;
- An interested party seeks to make use of confidential information, especially client information, obtained from CCU for his or her own benefit or for the benefit of a relative, significant other or business associate or other organization;
- An interested party seeks to take advantage of an opportunity or enable a relative, significant other or business associate or other organization to take advantage of an opportunity which he or she has reason to believe would be of interest to CCU.

(This may include influencing clients to use services outside of those recommended as proper referrals).

DISCLOSURE OF ACTUAL OR POTENTIAL CONFLICTS OF INTEREST

An interested party is under a continuing obligation to disclose any actual or potential conflict of interest as soon as it is known or reasonably should be known.

An interested party shall complete a questionnaire to fully and completely disclose the material facts about any actual or potential conflicts of interest. The disclosure statement shall be completed upon his or her association with CCU and shall be updated annually thereafter. An additional disclosure statement shall be filed at such time as an actual or potential conflict arises.

For board members, the disclosure statements shall be provided to the President of the Board, or in the case of the President's disclosure statement shall be provided to the Secretary of the Board. Copies shall also be provided to the Executive Director of CCU.

In the case of staff or volunteers with significant decision-making authority, the disclosure statements shall be provided to the Executive Director of CCU or in the case of the Executive Director's disclosure, the statement shall be provided to the President of the Board.

Staff or volunteers requesting services requiring financial approval shall make requests in writing and submit to the immediate supervisor who shall give the information to the executive director for final approval.

Copies of all disclosure statements shall be filed with the official corporate record of CCU.

REVIEW OF ACTUAL OR POTENTIAL CONFLICTS

Whenever there is reason to believe that an actual or potential conflict of interest exists between CCU and an interested party, the Board of Directors shall determine the appropriate organizational response. This shall include, but not necessarily limited to the procedures described below with respect to a specific proposed action or transaction.

Where the actual or potential conflict involves an employee of CCU other than the Executive Director, the Executive Director shall, in the first instance, be responsible for reviewing the matter and may take appropriate action as necessary to protect the interests of CCU. The Executive Director shall report to the Board President the results of any review and the action taken. The President, in consultation with the Executive Committee, shall determine if any further board review or action is required.

PROCEDURES FOR ADDRESSING CONFLICTS OF INTEREST: SPECIFIC TRANSACTIONS

Where an actual or potential conflict exists between the interests of CCU and an interested party with respect to a specific proposed action or transaction, CCU shall refrain from the proposed action or transaction until such time as the proposed action or transaction has been approved by the disinterested members of the board of directors of CCU. The following procedures shall apply:

- An interested party who has an actual or potential conflict of interest with respect to a proposed action or transaction of CCU shall not participate in any way in, or be present during, the deliberations and decision making of CCU with respect to such action or transaction. The interested party may, upon request, be available to answer questions or provide material factual information about the proposed action or transaction.
- The disinterested members of the board of directors may approve the proposed action or transaction upon finding that it is in the best interests of the corporation. The board shall consider whether the terms of the proposed transaction are fair and reasonable to CCU and whether it would be possible, with reasonable effort, to find a more advantageous arrangement with a party or entity that is not an interested party.

CHRISTIAN CHURCHES UNITED
CONFLICT OF INTEREST ANNUAL AFFIRMATION OF COMPLIANCE AND
DISCLOSURE STATEMENT

I have received and carefully read the Conflict of Interest Policy for board members, staff and volunteers of Christian Churches United and have considered not only the literal expression of the policy, but also its intent. By signing this affirmation of compliance, I hereby affirm that I understand and agree to comply with the Conflict of Interest Policy. I further understand that CCU is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Except as otherwise indicated in the Disclosure Statement and attachments, if any, I hereby state that I do not, to the best of my knowledge, have any conflict of interest that may be seen as competing with the interests of CCU, nor does any relative or business associate have such an actual or potential conflict of interest.

If any situation should arise in the future in which I think may involve me in a conflict of interest, I will promptly and fully disclose the circumstances to the President of the Board, or to Executive Director for staff.

I further certify that the information set forth in the Disclosure Statement and attachments, if any, is true and correct to the best of my knowledge, information and belief.
